Founded in 1911, the University of Hong Kong is committed to the highest international standards of excellence in teaching and research, and has been at the international forefront of academic scholarship for many years. The University has a comprehensive range of study programmes and research disciplines spread across 10 faculties and over 140 academic departments and institutes/centres. There are over 27,800 undergraduate and postgraduate students who are recruited globally, and more than 2,000 members of academic staff coming from 50 countries, many of whom are internationally renowned.

Associate Professor/Assistant Professor (several posts) in the Department of Computer Science
(Ref.: 201401152)

Applications are invited for appointment as Associate Professor/Assistant Professor (several posts) in the Department of Computer Science, to commence on July 1, 2015, on a three-year fixed-term basis, with consideration for tenure after satisfactory completion of a second three-year fixed-term contract.

The Department of Computer Science enjoys the reputation of providing high-quality education and conducting top-notch research. It offers programmes at both undergraduate and graduate levels, and has excellent computing resources and supporting facilities for teaching and research. Information about the Department can be obtained at http://www.cs.hku.hk/.

Applicants should have a Ph.D. degree in Computer Science, Computer Engineering, or a related field, with a strong commitment to research and teaching. A solid track record in research is essential. The positions are open to all research areas in Computer Science, with preference given to candidates in the area of big data, bioinformatics, computer vision, machine learning, robotics or software engineering.

A globally competitive remuneration package commensurate with the appointee’s qualifications and experience will be offered. At current rates, salaries tax does not exceed 15% of gross income. The appointments will attract a contract-end gratuity and University contribution to a retirement benefits scheme, totalling up to 15% of basic salary, as well as leave and medical benefits. Housing benefits will be provided as applicable.

Applicants should send a completed application form, together with an up-to-date C.V., a research plan and a statement on teaching philosophy to recruitment@cs.hku.hk. Application forms (341/1111) can be downloaded at http://www.hku.hk/apptunit/form-ext.doc. Further particulars can be obtained at http://jobs.hku.hk/. Please indicate clearly in the form the post applied for, as well as the field and level (if applicable), and the reference number. Closes December 31, 2014. Late applications may be considered until the positions are filled.

The University thanks applicants for their interest, but advises that only shortlisted applicants will be notified of the application result.

The University is an equal opportunities employer and is committed to a No-Smoking Policy.
