

# Sample Study Plans for Second Major in Computer Science

Study Plan M1 – Start taking courses from the first semester of first year

	First Semester	Second Semester
<b>Year 1 (12 credits)</b>	COMP1117	COMP2123
<b>Year 2 (24 credits)</b>	COMP2121, COMP2119	COMP2120, COMP3278/COMP elective
<b>Year 3 (24 credits)</b>	COMP3230/COMP3278/COMP3297, COMP elective	COMP3234/COMP3278, COMP elective
<b>Year 4 (24 credits)</b>	COMP4805, COMP elective	COMP elective × 2

Study Plan M2 – Start taking courses from the second semester of first year

	First Semester	Second Semester
<b>Year 1 (6 credits)</b>		COMP1117
<b>Year 2 (24 credits)</b>	COMP2121, COMP2123	COMP2119, COMP2120
<b>Year 3 (30 credits)</b>	COMP3230/COMP3278/COMP3297, COMP elective	COMP3234/COMP3278, COMP elective × 2
<b>Year 4 (24 credits)</b>	COMP4805, COMP elective	COMP elective × 2

Study Plan M3 – Start taking courses from the second year

	First Semester	Second Semester
<b>Year 1</b>		
<b>Year 2 (24 credits)</b>	COMP1117, COMP2121	COMP2120, COMP2123
<b>Year 3 (30 credits)</b>	COMP2119, COMP3230/COMP3297	COMP3234/COMP3278, COMP elective × 2
<b>Year 4 (30 credits)</b>	COMP4805, COMP elective x 2	COMP elective × 2

The samples serve as illustrative study plans only as there are a number of possible sequences of studies for the programme. It is also possible that the department may adjust the course offering schedule in different academic year. Students are allowed to submit their own course selection plans and are responsible for ensuring that the required pre-requisites and co-requisite of selected courses are fulfilled.
