- Students with level 4 in HKDSE English Language are required to take 6 additional credits in Core University English to complete their degree studies.

** Double-counting of the 4 FBE Core Courses (ACCT1101, ECON1210, FINA1310, & STAT1603) is only confined to the combination of "major-major". Students are required to take any free electives in lieu of the double-counted FBE Core Courses.

@ All courses offered by FBE have quota restriction. Students' declaration of a second major in Business Design and Innovation (BDI) will NOT guarantee them a place in the relevant courses for fulfilment of the major requirements.

Candidates who wish to pursue a second major in BDI are required to undergo a selection process. Candidates are required to submit an application form within one week after add/drop period of the second semester of their 2nd year of study. Shortlisted candidates will be invited by email to a group interview.
