Overseas

THE UNIVERSITY OF HONG KONG

Founded in 1911, the University of Hong Kong is committed to the highest international standards of excellence in teaching and research, and has been at the international forefront of academic scholarship for many years. The University has a comprehensive range of study programmes and research disciplines spread across 10 faculties and over 140 academic departments and institutes/centres. There are 28,000 undergraduate and postgraduate students who are recruited globally, and more than 2,000 members of academic and academic-related staff coming from multi-cultural backgrounds, many of whom are internationally renowned.

Tenure-Track Associate Professor/Assistant Professor jointly offered by the Department of Computer Science and the Faculty of Business and Economics (Ref.: 201801555)

Applications are invited for appointments as Tenure-Track Associate Professor/Assistant Professor jointly offered by the Department of Computer Science and the Faculty of Business and Economics (with the former as the home department), to commence on January 1, 2019 or as soon as possible thereafter, on a three-year fixed-term basis, with the possibility of renewal and with consideration for tenure before the expiry of a second three-year fixed-term contract. The post is created to support a new joint undergraduate programme in Financial Technology which is hosted in the Department of Computer Science.

The Faculty of Engineering and the Faculty of Business and Economics provide a supportive and friendly environment and are embarking on a programme of recruitment to invest in areas of acknowledged strength and to invest in areas of internationally competitive activity. Information about the Faculties can be obtained at http://engg.hku.hk/ (Engineering) and https://www.fbe.hku.hk/ (Business and Economics).

The Department of Computer Science enjoys the reputation of providing high-quality education and conducting top-notch research. It offers programmes at both undergraduate and graduate levels, and has excellent computing resources and supporting facilities for teaching and research. Information about the Department can be obtained at http://www.cs.hku.hk/. The finance group of the Faculty of Business and Economics consists of more than 20 research-active faculty members and runs a high-quality weekly seminar series. The Faculty colleagues have published 27 papers in JF, JFE, and RFS since 2013 (top 25 in the world and No. 1 in Asia in UT Dallas Business School Ranking based on these three journals).

Applicants should have a Ph.D. degree in Computer Science, Computational Finance, Statistics or a related field, with research interest in one of the following areas: security and privacy issues in financial applications, emerging technologies related to finance such as blockchain, cryptocurrency, e-payment, data analytics related to finance, computational and quantitative finance, and any area related to financial technology. He/She should have a strong commitment to research and teaching. A solid track record in research is essential.

Applicants who have responded to the previous advertisement (Ref.: 201800963) need not re-apply.

A globally competitive remuneration package commensurate with the appointee’s qualifications and experience will be offered. At current rates, salaries tax does not exceed 15% of gross income. The appointment will attract a contract-end gratuity and University
contribution to a retirement benefits scheme, totalling up to 15% of basic salary, as well as leave and medical benefits. Housing benefits will be provided as applicable.

Applicants should send a completed application form, together with an up-to-date C.V., a research plan and a statement on teaching philosophy to the Department at recruitment@cs.hku.hk. Application forms (341/1111) can be downloaded at http://www.hr.hku.hk/apptunit/form-ext.doc. Further particulars can be obtained at http://jobs.hku.hk/. Please indicate clearly in the form the post applied for, as well as the field and level, and the reference number. **Closes December 31, 2018.**

The University thanks applicants for their interest, but advises that only candidates shortlisted for interviews will be notified of the application result.

*The University is an equal opportunities employer and is committed to equality, ethics, inclusivity, diversity and transparency; and is committed to a Non-smoking Policy.*
